Dear Commissioner Jonathan S. Adelstein,

It is eveident today and has been for sometime that the News Media is the propaganda media. The few controlling Power Masters of this media have far to much freedom to manipulate, omit, falseify and distroy our right to the truth. By removing regulations and placing control in fewer hands of this elite will only aid and abet this power structure placing the media in a much tighter monopoly. I urge you **sir**, to not allow this deregulation to suceed, but instead tighten the present standards restricting the expansion of the media monopoly we now have in the United States.

Sincerely

John R. Gilligan
